

Set: Friday 26th September

4

Return: Monday 6th October (Please return the **Maths every Friday**)

MATHEMATICS

TT Rockstars

Look out for challenges!

<https://trockstars.com/>

Timestables

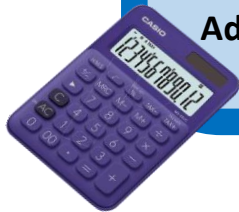

Upto 12x12

Whiterose Maths

<https://whiterosemaths.com/homelearning/>

We are learning about factors, multiples, column multiplication and short division.

Additional Maths practice provided weekly.

WRITING

In class we have been writing a persuasive text.

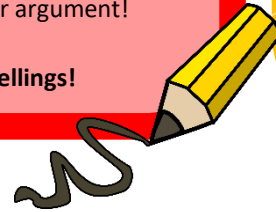

Write me a letter to persuade me to provide a specific reward for our DoJos e.g. extra playtime.

You need to include:

- Evidence based facts (if you can!)
- Two strong arguments
- Powerful, purposeful language
- The **subjunctive** (**Were** you to ...; If you / we **were** to ...; it is important **that** ...)

Remember to use an opening and a summary of your argument!

Practice spellings!

READING

Read every day to an adult for at least five minutes

OR

Read to yourself and talk about the book for five minutes with your grown up.

Please record what your child did well and something you think your child struggled with.

This will help us to further support your child in school.

EXTRAS

(optional)

This half term, we are celebrating Fair Trade Fortnight (22nd September)

Have a look at the items in this week's shopping. Do any of them have the Fair Trade Logo? Photograph or draw some of the items.

Create a poster to inform others about Fair Trade.

Research Fair Trade and create a video or PowerPoint.
