MATHEMATICS

TT Rockstars

Look out for challenges!

<https://trockstars.com/>

Timestables

Upto 12x12

Whiterose Maths

<https://whiterosemaths.com/homelearning/>

We have been revisiting long division.

Additional Maths practice provided.

WRITING

In class we have been looking at dialogue and using it to drive the action forwards.

Write a short story about Father Christmas getting stuck in the chimney (just like the song) and include either an elf or Rudolph.

Just two characters.

Include a piece of dialogue to move the action on.

- Speech punctuation
 - Adverbs
- Short sentences
- Reporting clauses.
- Narrative action

Practice spellings!

READING

Read every day to an adult for at least ten minutes (questions for your grown-ups to ask are on our class page)

Please record what your child did well and something you think your child struggled with e.g. pausing at punctuation or a particular word / sound or VIPERS (Vocabulary, Inference, Prediction, Explanation. Retrieval) skill as this will help us support your child in school.

EXTRAS

(optional)

6th January is Epiphany.

Research how different countries celebrate Epiphany and why it is important to Christians.

Create an non-chronological report / piece of art / documentary about this.
