

My Superpower

Cry, cry, let it all out,
Tomorrow will be better, I have no doubt,
People think I'm weak, A freak.
They tell me to stay away,
I can't deal with this today,
My brain is overloadin',
But the poetry keeps on flowin',
Wrigglin words crawl through my mind,
None sinks in, All sinks out,
People talkin loudly but I swear I can't hear a thing,
Knees bobbin,
Brain throbbin,
Breathe, Breathe, Breathe,
Gotta focus,
When the gidget reaches me hand,
Bang!
The magic begins,
Laugh, laugh, let it all out,
I'm a superhero and ADHD's me superpower.
