

Pollington-Balne C of E Primary School
Curriculum Intent
Music

At Pollington Balne Primary School, it is our intent that we make music an enjoyable learning experience. We encourage children to participate in a variety of musical experiences through which we aim to build up the confidence of all children. Our teaching focuses on developing the children's ability to understand rhythm and follow a beat. Through singing songs, children learn about the structure and organisation of music. We teach them to listen and to appreciate different forms of music from a range of composers and musicians. Children develop descriptive language skills in music lessons when learning about how music can represent different feelings, emotions and narratives. We also teach technical vocabulary such as volume, pitch, beat and rhythm and encourage children to discuss music using these terms.

Children at Pollington-Balne will learn that music is a universal language that embodies creativity and innovation. They will be inspired and engaged by music lessons that encourage children to develop a love of music and develop their talent as musicians, in turn, increasing their self-confidence and sense of achievement.
