Dear Parents,

MUSIC LESSONS FOR CURRENT and NEW PUPILS 2024/2025 SCHOOL YEAR YEARS 3 (in September) AND ABOVE

The tuition being provided by the East Riding Schools' music service in our school from September will be Woodwind, Guitar and Key Board tuition.

Following our receipt of our Service Level Agreement from East Riding Schools' Music Service the cost of this service is expected to be approximately £160.00* (based on current numbers) per child, per instrument, per academic year; which equates to £53.33 per term with a guaranteed minimum of 10 lessons during each of the three terms. Payment is collected from parents termly and then passed directly to the East Riding Schools Music Service to cover the cost of the service that is being provided via the school. Should the current levels of interest remain similar during 2023/24 the cost will be able to remain at this level, but costs may have to increase/or could decrease if numbers significantly change. We will try to keep tuition costs as affordable as possible for all pupils. Instruments are not included in the above costs and should be provided by the parent; although pupils are also sometimes able to loan an instrument from the Schools Music Service.

Please can you return the consent slip below indicating that you would like to go ahead with the music tuition and which instrument your child has chosen to play, along with your willingness to commit to the service for the whole year. **Unfortunately, should your child decide to stop having lessons at any time throughout the year, the full cost @ £53.33 per term* will still be payable.**

Regular weekly practice at home 10 minutes x 5 days is essential.

These services are only viable should there be sufficient interest and support from our children and parents. Please respond by completing the slip attached, clearly indicating the services that you are willing to commit to. A response is required by **Monday 22nd April 2024**, Confirmation of the provision of each service and exact costs will be confirmed shortly after. **Tuition fees must be paid upfront at the beginning of each term starting with the Autumn Term 2024.** Should you have any queries regarding music tuition at the school, please contact the school office and we will do our very best to answer any questions that you might have.

Many thanks
