

The background is a warm, light orange color. It is decorated with various autumn-themed illustrations: colorful leaves in shades of orange, yellow, and purple are scattered around the edges. Several pumpkins are featured, some with carved faces (jack-o'-lanterns) and others with simple, friendly faces. A blue vine with small leaves winds through the design. The main title is written in a large, orange, serif font, arched over the top half of the page.
