

Pollington-Balne CE Primary School

Education Website or App Consent Form

As part of the schools learning and resource tools we use online websites or apps to support our function as a school. You as a parent have a right to know how we use your child's information to support their learning. The majority of personal data collected and processed on our behalf is done so in the public interest in our role as a school, however for the purposes of transparency we are outlining below what information is collected.

To track progress or to get access to these resources, some websites/apps require an account to be set up – which in turn needs some basic details about the pupil.

As a school these are the following websites or apps that we use – the table also shows what amount of information will be collected about your child and a link to the privacy policy of each of these resources:

Name of website or app	Information collected	Privacy policy link
<i>Times Table Rock Stars</i> <i>Class Dojo</i> <i>Nessy</i> <i>White Rose Maths</i>	Name, school email address, DOB	https://www.pollingtonbalneprimary.com/policies/

Some website or apps that we use within school are optional, and are used to enhance and expand learning opportunities. Other website and apps are mandatory, which we include as our public task as a school.

The items listed below are the optional website/apps that we hope you would also like your children to have access to. Please tick all items that you give your consent for your child to access and use:

<i>Name of website/app</i>	
<i>Times Table Rock Stars</i>	
<i>Class Dojo</i>	
<i>Nessy</i>	

Child's Name

Name of Parent/guardian

Signature

Date

You can contact the school at office@pollington-balne.eriding.net , if you change your mind about your child having/not having access to any website or app. This form will be reviewed at appropriate intervals to ensure that you remain happy. Please note - when a child turns 13 they will be responsible for giving their own consent.
